WHO IS MAKE & GROW?

Create Build
Grow Inspire

Make & Grow provides practical workshops where children learn through **making, building** and **creating**.

15+ YEARS IN EDUCATION

Extensive experience supporting children to learn, grow and thrive.

SEND & SEMH SPECIALIST

Specialist in supporting SEND, SEMH and alternative provision learners.

FOREST SCHOOL INSPIRED

Outdoor learning, nature connection and hands-on experiences at the heart of what we do.

PRACTICAL LEARNING

Real tools, real materials, real skills.
Learning by doing!

FULLY INSURED

Public Liability Insurance and risk assessments in place for your peace of mind.

“Children learn best when they are busy making, building and succeeding.”

WHY CHOOSE MAKE & GROW?

Our workshops do more than build projects –
they help children grow for life.

CONFIDENCE

Building success
boosts self-belief.

RESILIENCE

Overcoming challenges
builds determination.

TEAMWORK

Working together
to achieve more.

CREATIVITY

Imagination turns
ideas into real things.

COMMUNICATION

Sharing ideas and
listening to others.

PRACTICAL SKILLS

Real tools, real materials,
real hands-on learning.

INDEPENDENCE

Making choices and
solving problems.

PRIDE IN THEIR WORK

A sense of achievement
they can be proud of.

STRONGER SKILLS. GREATER CONFIDENCE. BRIGHTER FUTURES.

WHAT CAN WE BUILD?

TREE DETECTIVE

What can you discover?

- ☐ Bark pattern
- ☐ Leaf shape
- ☐ Tree height
- ☐ Animal homes
- ☐ Signs of life

WORKSHOP THEMES

Rather than just sitting and listening...
Learners build, investigate, design and create.

OUR WORKSHOPS INCLUDE:

WOODWORKING

Build, create and craft with wood while developing practical skills and confidence.

GARDENING

Get hands-on with plants, growing and green projects that inspire.

OUTDOOR LEARNING

Explore, discover and learn outdoors through fun challenges and team activities.

STEM CHALLENGES

Investigate, problem solve and experiment with exciting STEM activities.

RECYCLING & SUSTAINABILITY

Think creatively, reuse materials and learn about looking after our planet.

CONSTRUCTION CHALLENGES

Take on building challenges and develop real-world construction skills.

WILDLIFE PROJECTS

Learn about wildlife and create habitats and projects that make a difference.

SEASONAL ACTIVITIES

Celebrate the seasons with fun, creative and hands-on workshops all year.

PRACTICAL SKILLS

TEAMWORK

CREATIVITY

CONFIDENCE

EXAMPLE WORKSHOPS

Practical. Engaging. Flexible. Tailored to your setting.

2-HOUR WORKSHOP

WIND CHIMES

Design and make your own wind chimes using natural and recycled materials.

MINI TERRARIUM

Design and build your own mini ecosystem to take home.

GARDEN GAMES

Fun, active games like Corn Hole made by you!

NATURE CHALLENGE

Explore, investigate and complete exciting nature missions.

Short, fun and packed with discovery and achievement.

HALF DAY

BUILD A BIRD BOX

Learners leave with their own bird box to take home.

BUILD A BUG HOTEL

Create a beneficial insect habitat for your outdoor space.

More time to build, create and take something meaningful home.

FULL DAY

NATURE CHALLENGE

Team missions, natural exploration and problem solving.

SQUIRREL ASSAULT COURSE

Design and build an obstacle course for squirrels.

BUILD A RAISED PLANTER

Work as a team to build a raised planter for your space.

PAINT IT

Get creative and personalise your planter.

PLANT FLOWERS

Fill your planter with beautiful plants and help them grow.

IN-DEPTH BUILDING SKILLS

Learn real techniques, use real tools and grow in confidence.

A full day of hands-on learning, building skills, teamwork and achievement.

FLEXIBLE WORKSHOPS. REAL SKILLS. LASTING MEMORIES.

BIGGER PROJECTS

We can take on larger builds that transform outdoor spaces and create lasting impact.

RAISED BEDS

Grow, plant and learn together. Perfect for gardens and outdoor learning.

OUTDOOR CLASSROOMS

Create inspiring spaces for outdoor learning, storytelling and group activities.

PERGOLAS

Shade, shelter and style. Add character and function to any outdoor area.

OUTDOOR SEATING

Built to last and made for gathering, relaxing and enjoying the outdoors.

SENSORY GARDENS

Engage the senses, support wellbeing and encourage exploration.

SCHOOL IMPROVEMENTS

Practical, high-quality builds that improve spaces and benefit the whole school.

BESPOKE PROJECTS • BUILT WITH CARE • DESIGNED FOR IMPACT

FLEXIBLE. COLLABORATIVE. BUILT AROUND YOU.

WHY CHOOSE MAKE & GROW?

Practical. Safe. Flexible. Everything taken care of. ♥

ALL EQUIPMENT PROVIDED

We bring all the tools, materials and resources needed for a safe, successful workshop.

RISK ASSESSMENTS

Comprehensive risk assessments provided for every workshop.

PUBLIC LIABILITY INSURANCE

Fully insured for your peace of mind and protection.

FLEXIBLE GROUP SIZES

Sessions tailored to your group size, space and individual needs.

SUITABLE FOR SEND & MAINSTREAM

Inclusive, adaptable workshops for all learners to enjoy and succeed.

CAN BE LINKED TO CURRICULUM

Our workshops support learning across subjects, from science and DT to PSHE, wellbeing and outdoor learning.

*We adapt every workshop to your learners, your setting and your goals.
Whatever the age, ability or interest, we'll create something that works for you.*

FLEXIBLE DELIVERY

Workshops to fit your time, your setting and your goals.

HOURLY

Short and focused sessions, perfect for introducing new skills or a single project.

HALF DAY

Ideal for hands-on projects, skill building and creative challenges.

FULL DAY

A full day of making, learning and exploring with plenty of time to create.

WHOLE WEEK

Immersive, themed projects and adventures that spark imagination all week long.

HOLIDAY CLUBS

Engaging, practical activities that keep young minds busy, creative and inspired.

COMMUNITY PROJECTS

Working together to build, improve and strengthen your local community.

ANY DURATION. ANY PROJECT. ENDLESS POSSIBILITIES.

Making a difference
one learner at a time

REAL PROJECTS. REAL LEARNERS.

This presentation was created with the help of AI
to share ideas and inspiration.

But every project you see here was built by **real learners**
through **real sessions** with Make & Grow.

All of the images in this presentation are real photographs of projects
designed, built and enjoyed by learners through Make & Grow.
